2023.11.14 – 2024.01.13

Introducing Doo Voo.

Where Tuesday is Friday and a voice supported by the ancestors does echo.

Anthony Mills solo show is multi-disciplinary.

Born in the 70's , forged in the 80's, sharpened in the 90's, and fine tuned through the 00's.

Here is where ratchet and classical hold hands and invite sweet November to the ritual.

Six pre-fab doo voo dolls suspended from the ceiling attached to red licorice.

Storytelling paintings made live at Lilla several days before the November 14 opening.

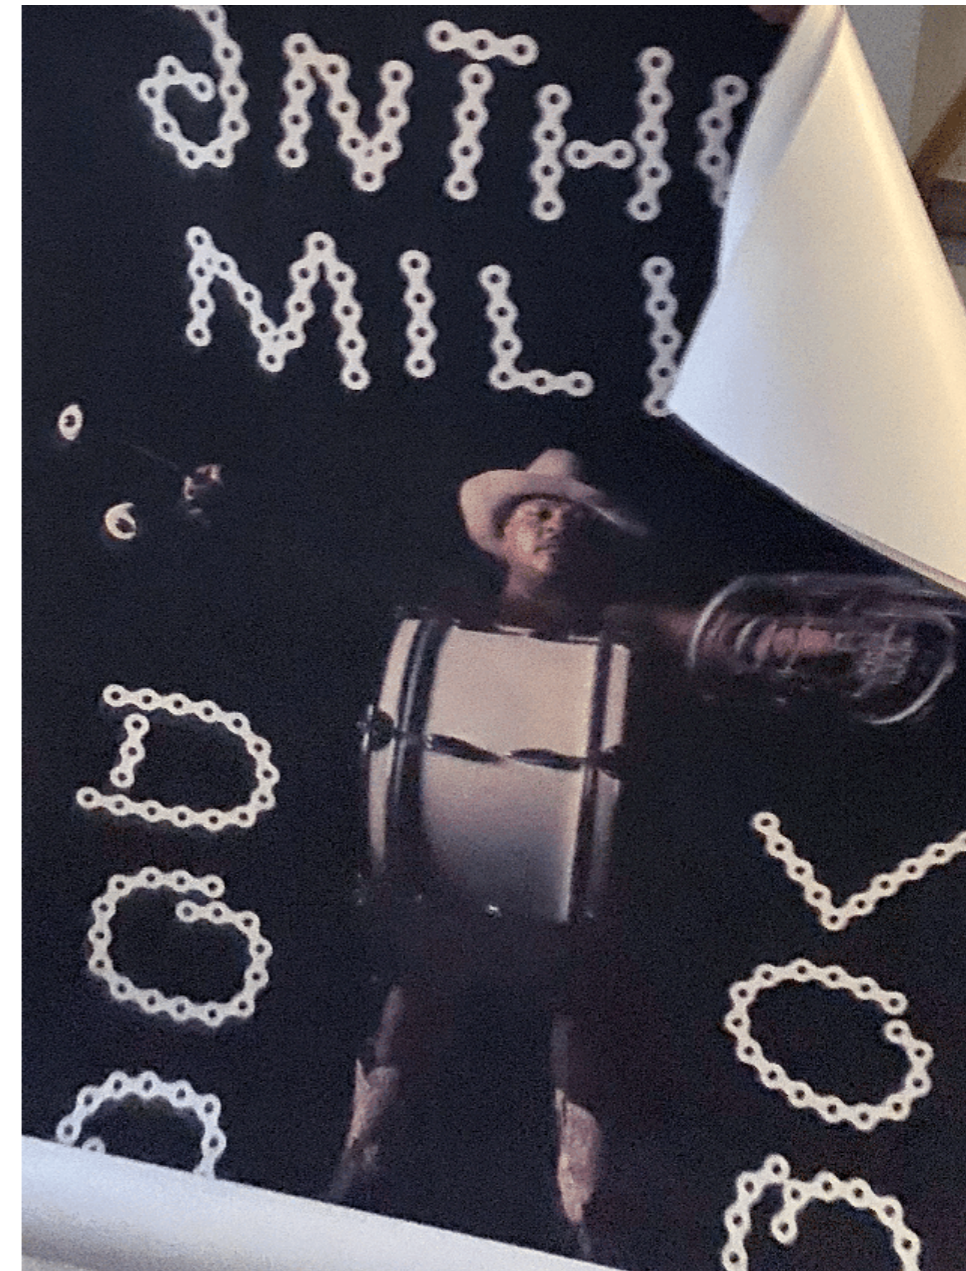

You are carefully invited to Anthony Mills' "DOO VOO" exhibition
that shall remain for the duration of 60 days.
